

## 11<sup>th</sup> CIRP Conference on Photonic Technologies [LANE 2020]

### Call for Papers out now, special fees for members of JLPS

Until January 24, 2020, researchers and developers from science and industry, who gained interesting results in the field of laser material processing, are welcome to submit an abstract for the 11<sup>th</sup> CIRP Conference on Photonic Technologies [LANE 2020] (September 06-10, 2020, Fuerth, Germany).

Members of JLPS are granted a general discount of 10 % on the conference fees.

Contributions will be reviewed by an international review committee. If finally accepted, scientific papers will be published online and freely accessible in Elsevier's open access journal *Procedia CIRP* on Science Direct (indexed in the citation database 'Scopus'). The CiteScore of *Procedia CIRP* is 2.15. Application-oriented papers will be published on the LANE website. During the LANE conference all accepted contributions will be presented personally by the authors.

For detailed information on submission of abstracts and registration, please visit the conference website [www.lane-conference.org](http://www.lane-conference.org) or see the attached flyer.
