

Audio-Visual Equipment Information

To : Speakers at LAMP2006
From : Organizing Committee of LAMP2006 Office, Japan
Subject : Audio-Visual Equipment

Information for Oral Presenter

- We will provide a [LCD projector](#) in each session room.
- You should bring [your own laptop](#).
- We would strongly advise that you also have your presentation available on removable media ([CD-R](#) (Note: CD-RW not recommended) or [USB Memory](#) (USB Flash Memory Stick)) in case a problem develops with your laptop.
- Please note that only [100V outlets](#) are available and the connector is "A" type.
- You should consider bringing a [power adapter](#) if necessary.
- All LCD projectors will connect with your laptop, PC, or Mac using a [mini D-sub 15pin connector](#).

Information for Short Presenter of Poster Papers

- We will provide an [OHP](#) (Over head projector).
- [Only overhead sheets](#) are allowed as presentation materials due to the limited time schedule of program.
