

The SLPC2016 Outstanding Poster Paper Award Winners

1st Place:

Mr. Motoki Ota, Okayama University, Japan

Fundamental study on separation method of gallium nitride with internal modified layer by ultrashort pulsed laser

(SLPCp9-P-19)

2nd Place:

Dr. Yoshihiro Sagisaka, Industrial Research Institute of Shizuoka Prefecture

Accuracy improvement of microparts bending by femtosecond laser peen forming

(SLPCp9-P-16)

Mr. Kazuo Yokohara, Okayama University, Japan

Effective shielding gas supplying method of wide area in vertical-position laser welding of pure titanium

(SLPCp9-P-1)
