

## The SLPC2018 Outstanding Poster Paper Award Winners

### *1st Winner:*

**Ms. Ritsuko Higashino**, JWRI, Osaka University, Japan

“Investigate of the laser cladding process by blue diode laser”

(SLPCp8-P1)

### *2nd Winner:*

**Mr. Satoshi Hasegawa**, CORE, Utsunomiya University, Japan

“Holographic complex-amplitude modulation for generating sub-diffraction-limit spot applied to laser material processing”

(SLPCp8-P24)

### *3rd Winners:*

**Mr. Martin Ruthandi Maina**, Okayama University, Japan

“Influence of intensity distribution on surface quality in high speed laser welding of aluminum alloy”

(SLPCp8-P6)

**Mr. Subhashri Chatterjee**, Shizuoka University, Japan

“Post-fabrication spectral tuning of perfect-absorber metasurface structures fabricated by direct laser write technique”

(SLPCp8-P30)
