OUR EXHIBITION SERVICES

Individual exhibition offers - The choice is yours. Present yourself on-site and/or online.

Central on-site booth space - Our exhibition spaces are integrated into the catering area on-site.

Be seen virtually as well - All virtual exhibitors are centrally presented on our virtual conference platform and accessible to participants at all times, whether they are on-site or participating online.

Beyond the exhibition booth - Don't just contact the participants and authors at your exhibition booth. Follow the lecture program, talk to the presenters and participate in the poster and social evening. All included in your exhibitor ticket(s).

Exhibitor Pitch - Each of our exhibitor packages includes a presentation slot within the speaker program to which you can pitch your company or product.

Award ceremonies - Your company becomes a partner of an award ceremony, provides the prize, and hands it over at the award ceremony. The award can be named after your company.

Social Evening - The social evening provides an opportunity to network in a quiet and relaxed atmosphere and is very popular with all participants.

Coffee Breaks - Meet, share, network, receive attention.

Room Names - Give a lecture room your desired name to promote your company or a specific product.

W-LAN Access - The on-site W-LAN is given a name and password you specify.

Giveaways for attendees - Pens, writing pads, lanyards, etc.

Flyers/Brochures - There will be flyers/brochures on-site from you.
