

LAMP2015

*The 7th International Congress on Laser Advanced Materials Processing
Presents*

The LPM 2015 Outstanding Student Paper Award (Oral)

to

Mr. Bangshan Sun

University of Oxford, UK,

for the paper entitled

“Three dimensional laser micro-fabrication in diamond”

May 29, 2015

Dr. Koji Sugioka, General Chair, LAMP2015

LAMP2015

*The 7th International Congress on Laser Advanced Materials Processing
Presents*

The LPM 2015 Outstanding Student Paper Award (Oral)

to

Mr. Marcus Lau

University of Duisburg-Essen, Germany

for the paper entitled

“Amplified laser fragmentation of microparticles in a free liquid jet”

May 29, 2015

Dr. Koji Sugioka, General Chair, LAMP2015

LAMP2015

*The 7th International Congress on Laser Advanced Materials Processing
Presents*

The LPM 2015 Outstanding Student Paper Award (Oral)

to

Mr. Michael Steger

Fraunhofer Institute for Lasertechnology, Germany

for the paper entitled

*“Analysis and evaluation of boundary conditions for direct surface structuring
by multi-beam interference ”*

May 29, 2015

Dr. Koji Sugioka, General Chair, LAMP2015

LAMP2015

*The 7th International Congress on Laser Advanced Materials Processing
Presents*

The LPM 2015 Outstanding Student Paper Award (Oral)

To

Ms. Pattarin Chewchinda

Tokyo Institute of Technology, Japan

for the paper entitled

*“The effect of electrolyte concentration on silicon nanoparticles prepared
by laser ablation in liquid”*

May 29, 2015

Dr. Koji Sugioka, General Chair, LAMP2015

LAMP2015

*The 7th International Congress on Laser Advanced Materials Processing
Presents*

The LPM 2015 Outstanding Student Paper Award (Oral)

To

Mr. Christos Edward Athanasiou

École Polytechnique Fédérale de Lausanne (EPFL), Switzerland

for the paper entitled

*“A monolithic micro-tensile tester fabricated by femtosecond laser
to investigate fused silica mechanical properties,”*

May 29, 2015

Dr. Koji Sugioka, General Chair, LAMP2015

LAMP2015

*The 7th International Congress on Laser Advanced Materials Processing
presents*

The LPM 2015 Outstanding Student Paper Award (Poster)

to

Mr. Naoya Kakimoto

The Tokushima University, Japan

for the paper entitled

“The shape of the exfoliated surface during femtosecond laser ablation,”

May 29, 2015

Dr. Koji Sugioka, General Chair, LAMP2015

LAMP2015

*The 7th International Congress on Laser Advanced Materials Processing
Presents*

The LPM 2015 Outstanding Student Paper Award (Poster)

to

Mr. Tomoaki Sei

Kyoto University, Japan

for the paper entitled

“Self-assembled nanostructures inside indirect bandgap GaP semiconductor”

May 29, 2015

Dr. Koji Sugioka, General Chair, LAMP2015

LAMP2015

*The 7th International Congress on Laser Advanced Materials Processing
Presents*

The LPM 2015 Outstanding Student Paper Award (Poster)

to

Ms. Chiah Sin Ying

Nagaoka University Technology, Japan

for the paper entitled

*“Formation of fine periodic structure on rear-surface of silicon substrate by
femtosecond laser at 1552nm”*

May 29, 2015

Dr. Koji Sugioka, General Chair, LAMP2015

LAMP2015

*The 7th International Congress on Laser Advanced Materials Processing
Presents*

*The HPL 2015 Outstanding Paper Award (Oral)
to*

Mr. Yosuke Yamazaki

Hitachi Zosen Corporation, Japan

for the paper entitled

*“Development of narrow gap multi-layer welding process
using oscillation laser beam”*

May 29, 2015

Dr. Koji Sugioka, General Chair, LAMP2015

LAMP2015

*The 7th International Congress on Laser Advanced Materials Processing
Presents*

The HPL 2015 Best Student Presenter

to

Mr. Daichi Tanigawa

Osaka University, Japan

for the paper entitled

“Effect of particle diameter on heat input in laser cladding”

May 29, 2015

Dr. Koji Sugioka, General Chair, LAMP2015
